PENNSYLVANIA FOUNDATION FOR HOME CARE AND HOSPICE

Home Care Grant

Client Application and Selection Process

Eligibility Criteria for Foundation Funds

- Individuals who temporarily or permanently reside in the Commonwealth of Pennsylvania
- Individuals who demonstrate a home health care need for home health care services, which includes home care, home health, and hospice services
- Individuals with monthly income less than $5,000 (single) or $10,000 (dual income, including spouse/partner, excluding any child income)*
- Individuals who are not currently receiving, are waiting to be approved, or are not eligible for comparable home health care services through the following programs:
    - Any Pennsylvania Medicaid Waiver Program (including managed care programs)
    - Veterans who are receiving home health care benefits through the Aide and Attendance Program
    - Any other similar program as determined by the Foundation

All fund disbursements are at the sole discretion of the Pennsylvania Foundation for Homecare and Hospice ("The Foundation"). Nothing in this application or program creates any guarantee of funding or any obligation on the part of the Foundation to provide funding to any individual.

Agencies are limited to three (3) referrals per month and should reserve referrals for clients with the highest need level. A client is eligible for funding once every calendar year.

Funding Policies and Procedures

Once approved, individuals will be granted access to funds of up to $2,500 per client to be used as 100 hours of non-medical home care services at $25/hour OR 20 skilled home health visits at $125/visit. Funds are payable directly to pre-approved licensed agencies.

Agencies must invoice The Foundation for payment of funds upon the termination of grant funded services. Invoices should include dates of service, hours completed, client name, agency name, agency address (payable to), and a signature of client confirmation of services. Approved invoices will be paid within 30 days of receipt via a check issued to the provider by The Foundation.

Funds must be utilized within one (1) year of approval from the Foundation. Upon the expiration of the year, the Foundation will grant the agency a 60-day period to submit invoices for payment. After this time, if an invoice has not been received, the Foundation will redirect the allocated $2,500 to another client for use.

Exceptions:

1. If a client is put on hold due to a hospitalization, facility stay, family visitation, or other similar scenario, the agency must notify the Foundation via email to receive an extension beyond one year for the complete use of funds.

2. If a client passes prior to the completion of the allotted $2,500 of services, the agency shall notify The Foundation via email and submit a final invoice for those services that were utilized. The Foundation will prorate the funds as follows:
   $25/hour for non-medical services rendered OR $125/visit for skilled services rendered.

3. If a client becomes eligible for home health care services through a PA Medicaid Waiver Program, Veterans Affairs' Aide and Attendance Program, or through another similar program, services through this Foundation will cease. It is the responsibility of the client, the representative and the agency to notify The Foundation when other home health care funding sources become available. Providers will be paid only the portion of the grant that was rendered prior to approval through the alternative funding source, calculated as $25/hour for non-medical care or $125/visit for skilled care.

Funding Request and Submission Process

- The client or client representative and the supporting agency must complete the attached Client Application in full.

- Send the application to:
  The Pennsylvania Foundation for Homecare and Hospice
  600 N. 12th Street, Suite 200
  Lemoyne, PA 17043
  Fax: 717-975-9456

- A notification of approval/declination of funding will be sent to the agency and client/ representative via email. Upon notice of approval, services may begin. All 100 hours OR 20 visits of home health care must be utilized within one year of this date, except as provided above.

- Upon completion of care, the agency will send an invoice to The Foundation including the following:

a. Client name
b. Dates of service
c. Hours completed per date of service
d. Agency name
e. Agency address (payable to)
f. A signature from the client verifying that the services were provided as invoiced (signed timesheets, EVV, or a one-page statement will do)

- For approved invoices, payment will be rendered to the agency within 30 days of receipt via a check issued to the provider by The Foundation.

*Income limits and other terms and conditions are subject to change, at the sole discretion of The Foundation.
